

Fund Accounting Software for Charter Schools

"Pontem sales and support staff are available 24/7 when we've needed assistance. Great bunch of people that we recommend to every charter school development team with which we work."

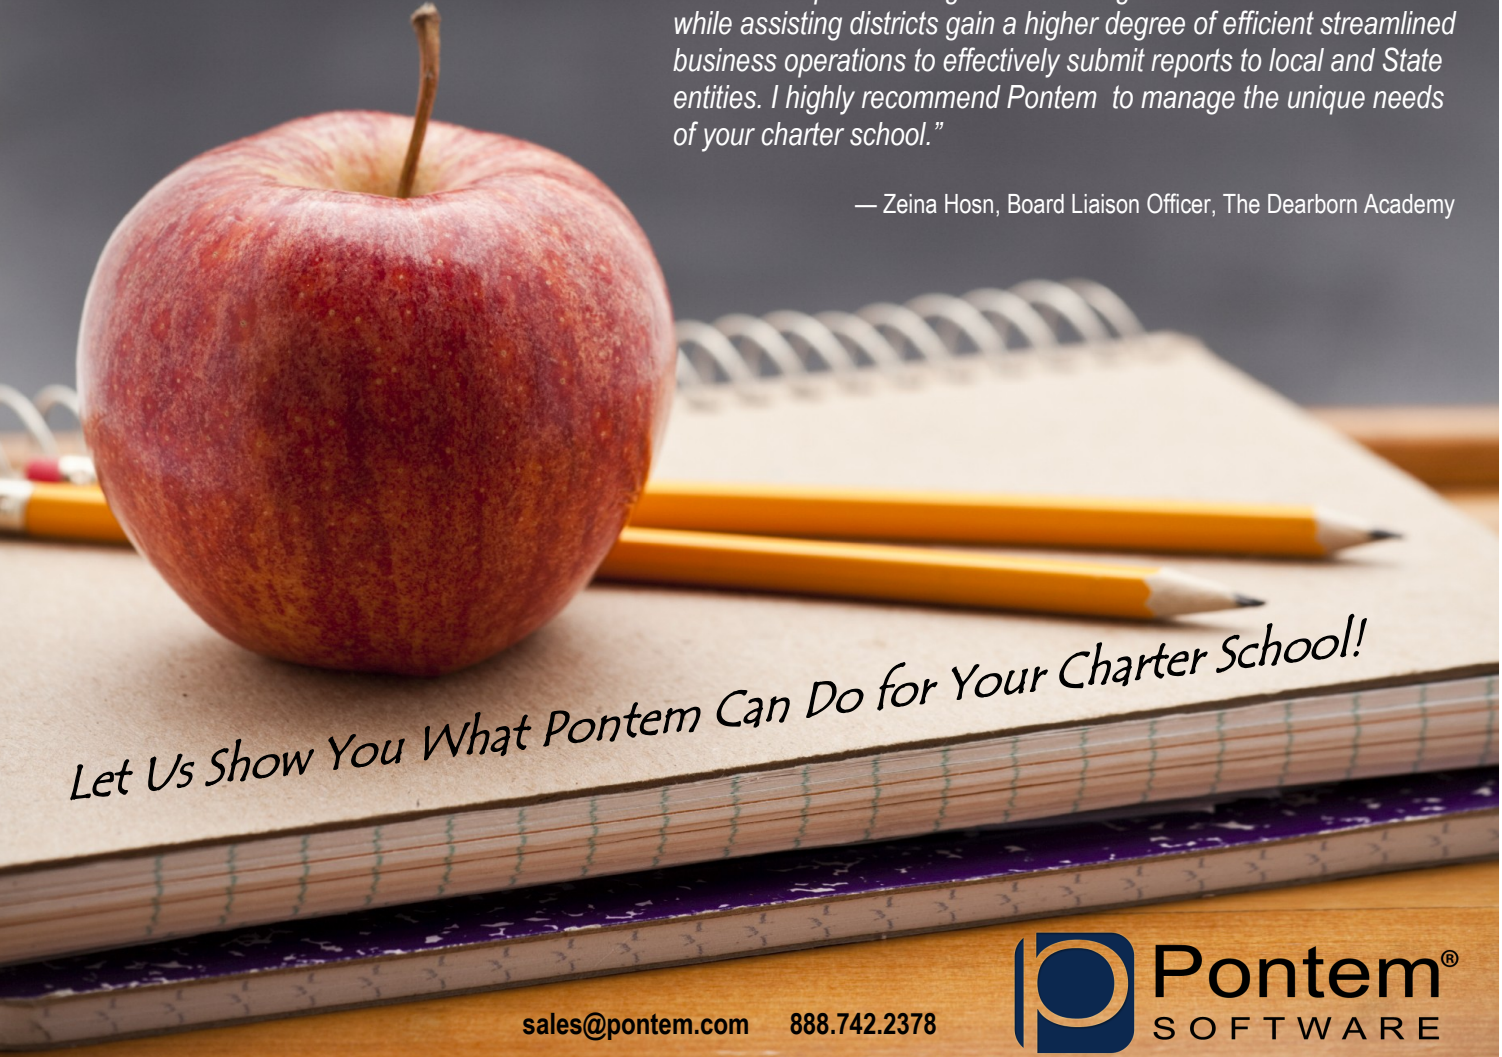

— Dr. Lorilyn K. Coggins, American Charter School Education Services, Inc.

"We work with several charter school clients and over the past five years, we have been very pleased with the software as well as the support we've received from Pontem. The staff has always been very professional and helpful. The software is user friendly and the reports are great."

— Felicia Williams, CFO, Provision Business Solutions

"Pontem helps schools gain better insight into financial data while assisting districts gain a higher degree of efficient streamlined business operations to effectively submit reports to local and State entities. I highly recommend Pontem to manage the unique needs of your charter school."

— Zeina Hosn, Board Liaison Officer, The Dearborn Academy
