Pontem Cemetery Image/Document Management Add-on

Preserve the Past with an Easy Paperless Solution

Streamline filing and retrieval efforts when you computerize your paper records. Preserving decaying paper records is just one advantage of the Image/Document Management add-on for the Pontem Cemetery Management System.

Stop the Aging Process!

Eliminate the need for messy filing cabinets by electronically capturing your Cemetery's paper records. It's fast, easy, and it integrates seamlessly with the rest of your Pontem Cemetery Management System.

Image/Document Management Features and Benefits

- Scanning paper burial cards or documents and entering minimal information can expedite computerizing paper records dating back centuries. You'll be amazed at how easy it is to computerize your records and the amount of time you now save by accessing burial information via the computer.
- Feel secure, knowing your historical records are safe, can be backed up, and even stored off site for maximum security.
- Scan obituaries and pictures of markers to serve genealogists with more robust documentation.
- Easily associate an unlimited number images & documents with any grave record.
- Works with many file formats, including pdf, doc, xls, jpg, bmp, tiff, rtf, and more.
